To

The Divisional Commissioner,
Belgaum.

Sir,

In submitting herewith the case papers ending with the Conservator of Forests Belgaum Circle's No. FOR/ GEL/DWR/530/9/61-62 dated 12-6-1961, I have to state as under.

In this case, 18 Lamanies of Attikatti village in Mundargi Taluka have encroached upon an area of 3 acres 29 gunthas of forestland out of S.No.45 of Attikatti and they have already built their houses in the said area. The forest S.No.45 was formerly in charge of Revenue Department and it has been transferred to the Management of the Forest Department in 1954.

When the unauthorised occupation of this area by the Lamanies was detected, eviction proceeding were started. Then the Lamanies submitted an application to the Deputy Commissioner and the Director of Social Welfare Bangalore requesting to allow them to remain on this land.

The Tahasildar and the Assistant Commissioner recommend that the area occupied by the Lamanies may be granted to them after disforestation. The Conservator of Forests Belgaum Circle also states that the encroached area of 3 acres and 29 gunthas may be disforested and granted to the Lamanies on recovery of some penal O.P. for their unauthorised action.

Since the Lamanies are residing in the encroached area for more than 30 years and they have already constructed their residential buildings permanently, it will cause a great loss to the Lamanies if they are evicted at this late stage. So, the Government may kindly be moved to accord necessary sanction for disforestation of an area of 3 acres and 29 gunthas out of forest S.No.45 of Attikatti.

Yours faithfully,

O.C. signed by
Dy. Commissioner.)

For Deputy Commissioner,

of the land for the last about 35 years with their 18 temporary and permanent houses and 2 temples erected thereon, and eviction at this stage would cause undue hardship to them. The Forest Department has no objection to regularising the encroachment in question. Hence 3 acres and 29 gunthas of land out of S.No. 45 of Attikatti village involved in this case may be ordered to be disforested and transferred to the Revenue Department for grant to the Lamanis after necessary regularisation.
